About the Century Oak Farmhouse:

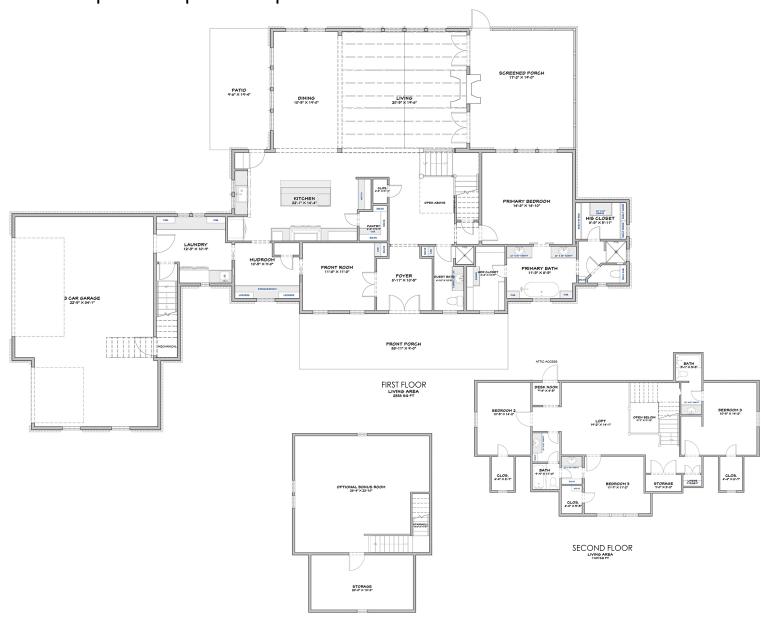

Open inviting layout feels airy and bright with lots of windows and glass doors

4 bedrooms, with the primary bedroom on the first floor, 3 bedrooms and spacious loft upstairs

Symmetry and focal points throughout make this home a unique and classic beauty

Built-ins like mudroom cabinets and a hutch in the kitchen help keep the house tidy while adding charm

Front Porch, Screened porch, and a patio off the the kitchen perfect for al fresco dining and enjoying the fresh air
